2.7.3 Description of submitted costs

(max. 1 page)

Please explain the relevance of the items listed in the cost plan for the project: personnel costs, costs of infrastructure use, costs of materials, third-party costs and travel costs (especially purpose of travel). Please note: All costs included in the cost plan must be allocated to the individual work packages at partner and project level and must be explained and justified in this chapter.

Furthermore:

Please be aware that currency conversion rate for the table “Description of the costs of all project partners in EURO” and table “Description of the costs of all project partners in CNY” beneath is recommended to be based on the daily Euro foreign exchange reference rates of the European Central Bank Or it could also be based on a monthly agreed Euro foreign exchange reference rate of the European Commission

The rate is based on the daily conversion rate of European Central Bank, ECB or the European Commission monthly Euro foreign exchange reference rate.

Please indicate here the day or month on which the Euro foreign exchange reference rate to Chinese yuan renminbi (CNY) is based on with regard to the two following tables.

Day or month of EURO foreign exchange reference rate: _____

Please be aware that ALL costs (including total Personnel Costs) for all Partners (Austrian and Chinese Partners) which are necessary to carry out the project have to be inserted into table "Description of the costs of all project partners in EURO" and table "Description of the costs of all project partners in CNY" beneath, since these tables are used for calculating whether the overall requirements are met by the consortium. In the case that necessary information is missing in the two following tables or the requirements are not met, the proposal will be rejected as a result of the formal check.
